

03 Service Pillar / Valuations

Valuations

Municipal, financial-institution and private-sector valuations. From a general valuation roll of a million parcels to a single-asset opinion for a lender, our valuations are mass-appraisal grade: statistically defensible, spatially indexed and reproducible on demand.

WHAT THIS COVERS

01**General and supplementary valuation rolls (MPRA)****02****Mass appraisal modelling and ratio studies****03****Mortgage, portfolio and impairment valuations for lenders****04****Insurance replacement-cost and depreciated-cost valuations****05****Objections, appeals and Valuation Appeal Board support****06****Plant, equipment and infrastructure asset valuation**
